World Voyage 2026

At sea, en route to Yorkeys Knob, Australia

From the Navigator

Queen Mary 2 begins her north-bound passage after departing Brisbane, travelling along the wide expanse of Australia's eastern coastline. The Coral Sea beneath us in this region is known for its clear waters and diverse marine life, much of it supported by the tropical conditions that extend along Queensland's coast. Guests can enjoy a restful day at sea as we make smooth progress toward the warmer latitudes of Far North Queensland.

Happy International Women's Day 2026

Today, on International Women's Day, we join in celebrating the many social, economic, cultural, and political achievements of women around the world. Cheers to you all!

Library

Discover a handwritten letter from Australia and begin a pen-pal exchange across oceans. Select a letter. Read it slowly. If inspired, write a reply and return it to the Librarian for posting. On a World Voyage defined by distance and discovery, take a moment to connect with someone you've never met, made possible by the luxury of time at sea.
